Massive Mostly Autumn Calving Dispersal

Local and Gippsland buyers were strongly competing for the Autumn calving cows at the Dispersal of R & R Morgan of Girgarre held at the Shepparton Selling Centre.

Backed by over 50 years of AI breeding and great management the Morgan Family presented their Cows in wonderful form, still milking and due for Autumn calving.

Sale top of \$2200 was reached twice for lot 64 a rising 5 year old BosFreddie and lot 88 a rising 4 year old Petrone daughter.

Other noted sales at \$2100 each were lot 51 a 6 year old by Oman, lot 67 and 157 by BosFreddie, lot 161 by Shot Trigger and lot 162 by Mascol.

Selling agents Dairy Livestock Services report a large group of Cows sold between \$1600 and \$1900.

A selection of Montbeliard X cows sold to \$1900.
