

Kentish Downs Dispersal

The dual Master Breeder 'Kentish Downs' herd of the Jensen Family of Yankalilla, South Australia recently staged their First Stage Complete Dispersal Sale at the Mortlake, Vic, selling centre. The 200 cows were transported some 8 hours the day prior to the sale and travelled extremely well, on arrival they were washed and let loaf in large undercover soft floor pens fed ample hay and given water. They presented very well on sale day. A great credit to the Livestock Transporters and all agents involved. Indeed a wonderful herd of high production Holsteins being bred by the vendors for some 60 years.

Sale top of \$6,600 was Kentish Downs Topsy Maggie, VG 86 a rising 7 year old with records to 11,934 litres 405 kgs protein 578 kgs fat, she is by De-Su Topsy from a VG 87, 511 kg fat Breakout dam and was purchased by Peter Fullerton of Nirranda.
