Foreword

A NOTE FROM THE VENDORS

Well it's been quite a journey over the last two years, and this being our 5th and final sale, Trudy and I would like to thank past purchasers and wish everyone buying animals today the very best with them.

We have appreciated the feedback and are grateful they have gone to good homes and been looked after.

To Brian, Mark, Ross and the DLS team, a sincere thank you for your help in bringing all this together. You are true professionals and your love of Dairy Cattle always shines through.

A big thank you to Mike Hentschke and his two boys Sam and Ben. Your photography work that Saturday morning added so much to our catalogues and helped keep alive some special memories of our cows.

And finally, the biggest thanks must go to our two wonderful children, Brett and Jane and their families. You have been a great blessing and support and given us much purpose and joy over this 40 odd year journey, but most importantly you have given us your love for which we are eternally grateful.

A big thanks to all,

David & Trudy
