BROOKBORA JERSEYS 60TH ANNIVERSARY

TUESDAY 28TH MAY 2024, preceding the Jersey Australia AGM Conference.

Herd inspection, sale, dinner and live entertainment | 60 head selling celebrating 60 years of breeding, live on farm @ Tennyson.

Some of our BEST COWS and HEIFERS will sell directly from our SHOW TEAM, DEEPEST FAMILIES and most PROFITABLE PEDIGREES.

Along with this, we are excited to be searching for some of the best Jerseys from across Australia, to showcase what the Australian Jersey breed has to offer.

Thank You

We would like to express our grateful thanks to everyone for their unwavering support during Robert's fight and following his passing, it was truly appreciated by us all.

To the instigators of the 'In Bert's Memory' auction, those that made the auction a reality; with donations of time, skill, goods and services, the bidders and underbidders, your support, coming from all corners of the breed, industry and friends was amazing.

In conjunction with the support received in the Run Melbourne team, an overwhelming \$72,015 was raised for the Peter MacCallum Cancer Foundation.

Thank you all so much.
