# Foreword.

It is with much pleasure we invite you to the Second Stage Complete Dispersal Sale of the highly respected Coorievale and Jireh Jersey herd. Following the First Stage Dispersal last year we have been overwhelmed with glowing reports of outstanding performance in their new herds throughout all of Australia.

You will note throughout the exceptional depth of pedigree, this reliability has assured the performance and is certain to continue with this offering.

To compliment the numbers we thank the invited vendors, they too both very long established highly regarded Jersey herds that also have a wonderful reputation of the way their Jerseys perform in new herds.

If you are in search of 'Top end' Autumn calving Jerseys then look no further.

We hope to see you in Colac on Tuesday 17th March.

Brian Leslie OAM – AUCTIONEER
